Relish the True Taste

Has the same ingredients as the Tomato Chutney, but with extra chilli for a hotter flavour preferred by many. Gluten free. It has no added artificial flavours, colours or preservatives.

Our most popular chutney. The savoury flavour combined with traditional spices, makes it a classic condiment. Gluten free. It has no added artificial flavours, colours or preservatives.

This old recipe with generous fruit content is a dark and richly flavoured treasure from the past. Gluten free. It has no added artificial flavours, colours or preservatives.

Prepared using abundant fruits and vegetables, this exotic and aromatic chutney, rich with spices, has evolved from our famous Taka Tala Sauce. Gluten free. It has no added artificial flavours, colours or preservatives.

This chutney has the right balance of mar and spice to complement your favourite curry or cold collation. Gluten free. It has added artificial flavours, colours or preservatives.
