

BBQ Smoking Starter Kit

Welcome to the Big Smoke BBQ pellet smoking breakthrough. Designed with the emphasis on ultimate value for dollar, the Big Smoke 'Little Wippit' BBQ smoker is priced to become every hooded BBQ's friend. As the secret to hot smoking success lies in experimentation, The Hot Smoke Company additionally provides 2 flavours to give the consumer a starting point and more importantly an insight into the wonderful flavoursome world of hot smoked food. Beautifully comprehensible packaging, branding and instructions provides the consumer with an insight into the taste enthusing experiences that may well lie ahead on the BBQ. An ultimately convenient and innovative purchase.

The first step into a whole new realm of BBQ flavour delight. Everything you need to smoke up a storm on any hooded BBQ arrives cleanly and conveniently in the one smoking pack. The means to market creation of a BBQ consumable.
